ELECTRICITY SUPPLY AGREEMENT

This Electricity Supply Agreement is made and entered into on this 6 day of May, 2025,

BETWEEN:

AGNETHA IDINOBA, an indigene of Ogboinbiri community, Southern Ijaw Local Government Area in Bayelsa State duly authorized by a power of attorney dated the **23rd day of February, 2024** to represent the Ogboinbiri Community as their attorney/representative in respect of the subject matter of this Memorandum of Understanding (hereinafter referred to as **"AGNETHA"**) on the other hand.

AND:

NRG BLOOM INC., a Canadian company with business address at its 271 - 4388 Rue Saint-Denis Suite 200, Montreal, QC H2J 2L1, Canada (hereinafter referred to as **"NRG BLOOM"**) on the other hand.

WHEREAS, Agnetha—an indigene of the Ogboinbiri Community, Southern Ijaw Local Government Area, Bayelsa State—has been granted a Power of Attorney by the Community, executed through its Paramount Ruler (Amananawei), authorising her to represent the Community in all matters relating to the proposed Bitcoin Mining Farm, including, without limitation:

1. securing and maintaining an uninterrupted five megawatt (5MW) electricity supply to the facility for an initial term of three (3) years;

2. negotiating with, and settling, the Community and all other relevant stakeholders; and

3. ensuring a safe, secure, and enabling environment for NRG Bloom's operations at the Bitcoin Mining Farm.

WHEREAS;

NRG BLOOM seeks to pioneer Bitcoin mining initiatives within Ogboinbiri Community in collaboration with **TON INFRASTRUCTURE LTD.** (hereinafter referred to as **"TON"**), recognizing the transformative potential of blockchain technology, and the Community, propelled by a shared vision of technological advancement and economic empowerment, is eager to extend its support for such ventures.

NOW THEREFORE, in consideration of the mutual agreement and terms contained herein, the Parties hereby agree as follows:

1. Definitions

For the purposes of this Agreement, the following capitalised terms shall have the meanings set out below. Words importing the singular include the plural and vice-versa; references to a person include an individual, firm, company, partnership, joint venture, association, trust, government or governmental agency.

I. **“Agreement”** means this Electricity Supply Agreement (including its schedules and any amendments made in accordance with its terms).

II. **“Bitcoin Mining Farm”** means the collection of ASIC miners, power distribution infrastructure, data-network equipment, containers, and all ancillary assets operated by NRG BLOOM and TON at the Site for the purpose of validating Bitcoin blocks and earning block-subsidy and transaction-fee rewards.

III. **“Community”** means the Ogboinbiri community in Southern Ijaw Local Government Area, Bayelsa State, Federal Republic of Nigeria, together with its recognised leadership and stakeholders.

IV. **“Delivery Point”** means the low-voltage side of the main step-down transformer (or such other point as the Parties may agree in writing) at which electricity is deemed to be delivered by AGNETHA IDINOBA and received by NRG Bloom.

V. **“Effective Date”** means the date first written on page 1 of this Agreement.

VI. **“Electricity”** means three-phase alternating current power at 50 Hz with a nominal voltage of 415 V (± 5 %).

VII. **“MW”** means megawatt; **“MWH”** means megawatt-hour.

VIII. **“Naira” or “₦”** means the lawful currency of the Federal Republic of Nigeria.

IX. **“Party”** means either NRG BLOOM or AGNETHA, and **“Parties”** means both of them collectively.

X. **“Site”** means the parcel of land located within Ogboinbiri Community on which the Bitcoin Mining Farm is constructed.

2. Power Supply and Infrastructure:

I. AGNETHA shall provide/supply NRG BLOOM with a dedicated 5 MW (which is equal to 5000 kv) of electricity supply for the Bitcoin mining operations within the Community.

II. AGNETHA shall act as the sole liaison with the Ogboinbiri community, managing all community-related affairs and maintaining a supportive local environment for the Project.

III. NRG BLOOM shall have exclusive authority over the day-to-day operation, security, staffing, and maintenance of the Bitcoin-mining facility, and will implement whatever measures are required to safeguard the site and ensure efficient operations.

3. Consideration – Community Revenue Share

I. Hashate / Revenue Allocation: Beginning on the Commercial Operation Date, NRG BLOOM shall transfer to the Bitcoin wallet address notified in writing by AGNETHA at least five (5) Business Days in advance (the "Designated Wallet") an amount of Bitcoin equal to thirty percent (30 %) of all Bitcoin revenue actually received by NRG BLOOM from the Project. Transfers shall occur automatically at the same time that NRG BLOOM receives each payout, with a monthly reconciliation statement issued to AGNETHA no later than the fifth (5th) Business Day of the following month.

II. Exclusion of TON Interest: The thirty percent (30%) allocation applies only to the Bitcoin revenue that belongs to NRG Bloom. Any share that is payable to TON Infrastructure Ltd. is outside the scope of this Agreement and is not affected by the 30 percent calculation. Consequently, once TON's portion is removed, NRG Bloom treats its remaining share as "100 percent," from which 30 percent is paid to the **AGNETHA IDINOBA/**Ogboinbiri Community and 70 percent is retained by NRG Bloom.

Recipient	% of *NRG Bloom Share*	Notes
AGNETHA IDINOBA	**30 %**	Development projects, local benefits
NRG Bloom (net)	**70 %**	Reinvestment, operating costs

III. **Use of Proceeds:** Bitcoin received at the Designated Wallet shall be applied in the following order

Use of Proceeds from the Community Share

1. **Monthly Revenue Statement.** Not later than the fifth (5th) Business Day of every calendar month, **NRG BLOOM** shall deliver to **AGNETHA** a written statement (the "Revenue Statement") showing:
   a) the total Bitcoin mined by the Project during the preceding month;
   b) the Bitcoin revenue attributable to NRG BLOOM's ownership share; and
   c) the *Community Share*—thirty percent (30 %) of NRG BLOOM's Bitcoin revenue.

2. **Transfer of Community Share.** On the same Business Day the Revenue Statement is issued, NRG BLOOM shall transfer the AGNETHA IDINOBA/Community Share, in Bitcoin, to the wallet addresses listed below (each a "Designated Wallet"). These addresses may be changed by five (5) Business Days' prior written notice from the relevant beneficiary.

Beneficiary	Allocation of Community Share	Designated Wallet	Purpose
Ogboinbiri Community	**14 %**	Wallet "COMMUNITY"	Electricity / power costs
Community CSR Plan	**9 %**	Wallet "CSR"	Development projects
Agnetha Idinoba	**7 %**	Wallet "AGNETHA"	Personal allowance
Total	**30 %**		

Automatic Price Adjustment. Because each beneficiary receives a fixed **percentage** of Bitcoin, the value they receive rises or falls automatically with the Bitcoin price. No separate conversion to naira is required, and no additional top-ups or claw-backs apply

IV. **Exclusivity of Payments.** The distributions in this clause satisfy NRG BLOOM's entire monetary obligation to the Ogboinbiri Community,and AGNETHA, and under this Agreement. No additional fixed-naira payments are due unless the Parties sign a written amendment.

V. **Audit Right.** AGNETHA may, up to twice per contract year, appoint an independent auditor to review the Revenue Statements and the corresponding blockchain transactions. Any shortfall exceeding two percent (2 %) must be remitted within ten (10) Business Days, together with the audited cost of the review.

VI. **Sole Monetary Consideration:** The revenue share set out in this Clause 3 fully replaces any fixed-naira payments previously contemplated. NRG BLOOM owes no further cash consideration to AGNETHA or the Ogboinbiri Community unless the Parties agree otherwise in a written amendment executed by both sides.

4. Duration:

This Agreement shall remain in full force and effect for 3 years of NRG BLOOM and TON's Bitcoin mining operations within Ogboinbiri Community, subject to termination as provided herein.

5. Termination:

This Agreement may be terminated by either Party upon providing a written notice of not less than thirty (30) days to the other Party provided that this Agreement cannot be terminated by AGNETHA in the first 3 years of its commencement. Termination shall not absolve the Parties of their obligations accrued prior to the effective date of termination.

6. Governance and Compliance:

It is hereby guaranteed for the purpose of supply of this electricity that the necessary regulations and legal framework attendant with this supply has been satisfied.The community remains perpetually committed to be fully responsible at all material point in time on any governmental regulations,rules or policy as they affect the supply of this electricity

7. Confidentiality:

The Parties shall maintain strict confidentiality and adhere to data privacy/protection compliance regarding proprietary information exchanged pursuant to this Agreement, including but not limited to, technical specifications, financial data, and strategic plans.

8. Corporate Social Responsibilities:

I. All community-development and social-impact projects (the “CSR Plan”) shall be financed exclusively from the Bitcoin proceeds in the Community Hashrate Share. **AGNETHA IDINOBA** will be in charge of the Community CSR plan.

II. NRG BLOOM will prioritize hiring locally and sourcing goods and services from within the host community whenever feasible, thereby contributing to job creation and economic development in the host community.

9. Entire Agreement:

This Agreement constitutes the entire agreement between the Parties hereto with respect to the subject matter hereof and supersedes all prior agreements, understandings, negotiations, and discussions, whether oral or written, relating to such subject matter.

IN WITNESS WHEREOF, the Parties hereto have caused this Provision of Electrical Power Supply Agreement to be executed as of the day and year first above written.
