RE: PROVISION OF LEGAL SERVICES TO NRG BLOOM

We refer to all previous communication in respect of the above subject.

Please find below the terms and conditions under which we will render the legal services outlined below to your good company, NRG Bloom (the **"Company"**).

This Letter details, among other things, our scope of work, fee arrangements, and the contact details of the lawyer who will have primary responsibility for the engagement.

1. SCOPE OF WORK

1.1. The scope of work under this engagement is as follows:

A. Company Incorporation

(i) conduct a "name availability search" at the Corporate Affairs Commission (the "**CAC**"), to confirm that the desired name for the company is available for use, that is, the said name is not identical or similar to the name of an existing company or any existing trademark or trade name or otherwise unacceptable to the CAC.

(ii) Preparation and filing of all relevant incorporation documents with the CAC and obtaining the company's incorporation certificate, Tax Identification Number (TIN), and any other statutory post-incorporation documentation required from the CAC for regulatory compliance.

(iii) Liaising with CAC and other relevant authorities as necessary to ensure successful incorporation.

B. Employment Setup

Develop five (5) template contracts of employment, tailored to the company's operational needs, ensuring compliance with applicable laws, company's policies and international best practices. The template will incorporate necessary restrictive covenants such as Non-Compete, Non-Solicitation, Non-Circumvention clauses and right to intellectual property to protect the company's business interests and relationships.

C. Paye-As-You-Earn Compliance

Provide guidance on the registration of the Company, after incorporation, at the zonal office of the tax authority in the State where the company's place of business is located, to collect and remit taxes on salaries due to its employees. Please note that ongoing monthly support or filings are excluded from this scope.

Any material change to the foregoing scope of services will be agreed upon by, or on behalf of, the parties in writing.

2. FEES AND OTHER EXPENSES

2.1 We are conscious of clients' cost concerns and the competitive pressures operative in today's legal environment. We recognize that it is important for legal services to be delivered cost-effectively with clear value addition. We believe an appropriately structured fee arrangement can achieve both goals. We are flexible with our fee arrangements and are willing to accommodate your needs and, at the same time, compensate us fairly for the legal services rendered.

2.2 In light of the foregoing, our professional fees for performing the services specified in paragraph 1 above shall be a fixed fee of Five Million Naira (₦5,000,000) payable in three installments, to wit:

- ₦1,000,000 upon the execution of this letter of engagement.
- ₦2,000,000 payable by July 18, 2025.
- ₦2,000,000 payable by August 17, 2025.

2.3 Kindly note that our professional fees are exclusive of all applicable taxes, regulatory fees, any travel or accommodation expenses and other out of pocket expenses incidental to effecting the respective instructions (in respect of which we will, to the extent practicable, present invoices and/or receipts for payment or reimbursement, at actual costs incurred). Where practicable, we will notify the Company prior to incurring any travel or accommodation expenses on behalf of the Company.

3. DURATION

(1) This engagement shall be deemed to have commenced on June 19, 2025, and shall subsist until the completion of the scope of work outlined in paragraph 1 above or upon termination of the engagement by either party by furnishing thirty (30) days written notice of termination to the other party.

(2) Either Party ceases to exist, other than following a corporate restructuring, merger or acquisition in which the surviving party affirms and continues to acknowledge and abide by this retainer arrangement.

(3) Termination of this engagement shall be without prejudice to any rights and remedies which either party may have under this engagement or otherwise by this engagement.
